M^r Tobie Morin, St Joseph N. School

Very Dear Sam,

Your good letter of the 10th inst. is received with great pleasure. We are all well, thanks be to God. But now I begin to be quite lame of my left leg from a wound I got while hunting buffalo some 30 years ago. Yet I beg of Father Willard to send you to me in the beginning of April, so as to help me in my putting in my seeds; otherwise I am not able to do it alone, & I have no means to hire any help. I hope Father Willard will do me that favor. Father Hall is willing to testify to this great infirmity of mine. Otherwise I would have been glad to have you stay there in your most excellent Normal School of St Joseph Rensselaer, Ind.

Your Mother & little Grand child join me in sending you our best love,
(over). Your Loving Father
Theremin Morin
